JONATHON CAMPBELL’S PUBLICATIONS, PRESENTATIONS & AWARDS

Publications

Journal/Book Chapter

Conference Abstract

2. Campbell JR, Marra F. A systematic review of studies evaluating the cost-effectiveness of screening high-risk populations for latent tuberculosis. Faculty Research and Awards Day; 2015 May 4; Vancouver BC.

3. Campbell JR, Marra F. A systematic review of studies evaluating the cost-effectiveness of screening high-risk populations for latent tuberculosis. The 19th Conference of The Union North America Region; 2015 Feb 26-Feb 28; Vancouver BC.

6. **Campbell JR**, Krot J, Johnston J, Cook V, Marra F. A meta-analysis on tuberculin skin test and interferon-gamma release assay use in immigrants. The 18th Conference of The Union North America Region; 2014 Feb 26-Mar 1; Boston, MA.

7. **Campbell JR**, Krot J, Johnston J, Cook V, Marra F. Accuracy of diagnostic tests for immigrant populations with latent tuberculosis infection: A systematic review. The 18th Conference of The Union North America Region; 2014 Feb 26-Mar 1; Boston, MA.

**Presentations**

**Poster**

2. **Campbell JR**, Marra F. A systematic review of studies evaluating the cost-effectiveness of screening high-risk populations for latent tuberculosis. Faculty Research and Awards Day; 2015 May 4; Vancouver BC.

3. **Campbell JR**, Marra F. A systematic review of studies evaluating the cost-effectiveness of screening high-risk populations for latent tuberculosis. The 19th Conference of The Union North America Region; 2015 Feb 26-Feb 28; Vancouver BC.

4. **Campbell JR**, Johnston J, Cook V, Sadatsafavi M, Elwood K, Marra F. A discrete event simulation model to determine cost-effectiveness of screening select high-risk foreign-born populations for latent tuberculosis infection. The 19th Conference of The Union North America Region; 2015 Feb 26-Feb 28; Vancouver BC.

5. **Campbell JR**, Krot J, Johnston J, Cook V, Marra F. A meta-analysis on tuberculin skin test and interferon-gamma release assay use in immigrants. Agents of Change; 2014 Sep 26; Vancouver, BC.

6. **Campbell JR**, Krot J, Johnston J, Cook V, Marra F. A meta-analysis on tuberculin skin test and interferon-gamma release assay use in immigrants. The 18th Conference of The Union North America Region; 2014 Feb 26-Mar 1; Boston, MA.

7. **Campbell JR**, Krot J, Johnston J, Cook V, Marra F. Accuracy of diagnostic tests for immigrant populations with latent tuberculosis infection: A systematic review. The 18th Conference of The Union North America Region; 2014 Feb 26-Mar 1; Boston, MA.

**Oral**

1. Identifying Latent Tuberculosis in Immigrants to Low-Incidence Countries: A Meta-Analytical Approach. Centre for Clinical Epidemiology and Evaluation; 2014 Nov 17; Vancouver, BC.

2. A Systematic Review of Studies Evaluating the Cost-Effectiveness of Screening High-Risk Populations for Latent Tuberculosis. Faculty Research and Awards Day; 2015 May 4; Vancouver, BC.
Awards

1. Four Year Doctoral Fellowship; 2015 June; Value: $18,200 plus tuition
2. Graduate Student Outstanding Service Award; 2015 May
3. Teaching Assistant Appreciation Award; 2015 May
4. ISPOR 20th Annual International Meeting Travel Grant – 2015 Apr; Value: US$1300
5. John H. McNeill Scholarship; 2014 Dec; Value: $1500
6. Faculty of Pharmaceutical Sciences Graduate Award; 2014 Sep; Value: $1685
7. Graduate Student Outstanding Service Award; 2014 May
8. Teaching Assistant Appreciation Award; 2014 May
9. Graduate Student Travel Award in Pharmaceutical Sciences; 2014 Apr; Value: $500
10. 18th Conference of the Union North America Region Travel Grant; 2014 Feb; Value: $500
11. Faculty of Pharmaceutical Sciences Graduate Award; 2013 Sep; Value: $1542
12. Faculty of Pharmaceutical Sciences Graduate Award; 2012 Sep; Value: $1760
