Dear Students,

As you are aware, undergraduate student card access to the building was removed as of last week. As a number of students needed to pick up their locker belongings, arrangements were made last week to allow access to the building for this reason only. Please be advised that if you have not emptied your locker yet, **tomorrow (Tuesday, March 24) at noon (12pm)** is your deadline to do so. **Access to the building will no longer be permitted after this time.**

If you would like make arrangements to enter the building before tomorrow at noon, please email Jamal Kurtu ([jamal.kurtu@ubc.ca](mailto:jamal.kurtu@ubc.ca)) or text him at XXXX between the hours of 8AM to 4 PM. You will be asked to maintain appropriate social distancing, retrieve your items, and leave the building immediately.

Sincerely,
Facilities Office
